

Telford Junior School

# GAME DESIGN Afterschool Club

“ Everyone should know how to program a computer, because it teaches you how to think!  
Steve Jobs

At Jam Coding, our goal is to help improve children's digital skills. Does your child enjoy playing games? Children will learn to use their gaming experience and imagination to develop their own unique game. This course will take children through all the steps that real game developers use to create games. They will design characters, add backgrounds and use code to develop their own 2D game using game development software. At the end of the course, all children will receive a certificate and one team will receive a trophy!

**DATES :** 28/04/2025  
12/05/2025  
19/05/2025

**TIME :**  
3.30 - 4.30pm (excluding 05/05/25  
which is a Bank Holiday)
