### Year 5 and 6 Cross Country

Last Saturday, the Year 5 and 6 cross country teams went to their first cross country event of the season, held at Priorsfield Primary School in Kenilworth. After the week of weather we had experienced, we were slightly apprehensive about how muddy and wet we would find it! Luckily, the sun shone and the event was a good one.

Results after the first event of the season:

The Year 6 girls' team had an excellent day, with five runners in the top twenty, meaning they are top of the league.

The Year 5 boys' team also produced a great result with three team members in the top twenty.

The Year 5 girls worked very well together and are currently in eighth. Archie was our only Year 6 boy runner, meaning we could not enter a team, but he achieved a great result of 23<sup>rd</sup> place.

It was a pleasure to work with the children during the morning and I was very proud of how they supported one another, putting so much effort into their races. Thank you to all who came along to support the children and kept them going.

Mrs Woodcock

## European Day of Languages

Last Thursday, the children had a fantastic time celebrating European Day of Languages. There was an amazing range of activities taking place throughout the school, including traditional dancing, food tasting, producing country fact files and, of course, learning the language of their allocated country. It was so lovely to walk around the school and witness the fun being had by all the children and their level of engagement. I would like to thank the children and families who brought in items from their native countries and to all of you, for the effort you went to for your children, so that they could come into school wearing the colours of their country's flag. Please follow the QR code above to watch a short video showing what we got up to on the day.

Muchas Gracias,  
Mrs Sweet, MFL Subject Leader

## Girls' Football

On Tuesday, the girls' football team had their first league matches of the year at St. Nicholas' Leisure Centre, in Warwick. The first game against St Mary's was close, ending with a 1-0 victory. Next up was Heathcote. It was another tight affair, but Telford Junior managed to take the lead. With a few minutes to go, Heathcote snatched a goal, and the game finished as a 1-1 draw. It puts us in a good position ahead of our next league meeting, later in the term.

Mr Openshaw, PE Subject Leader

## Netball League

Yesterday evening, we were pleased to host the first netball event of the season at Telford Junior School. Heathcote and Sydenham Primary Schools competed, alongside two teams from Telford Junior School. The competition produced an absorbing hour of netball. The matches were fast-paced and exciting to watch. It was great to see how much the children improved throughout the games. Thank you to all who came along and supported the teams. The results will be shared shortly.

Mrs Woodcock and Mrs Powell

## Wellbeing Ambassadors

On Tuesday 24 September, Telford Junior School's Wellbeing Ambassadors went to Champion School for their first training meeting of the year. We are so proud of our team and are looking forward to the work they do this year.

There has been a lot going on in school over the last few weeks and the children have settled into the new school year with great enthusiasm. It is wonderful to see.

Team Telford's AGM, yesterday evening, reflected on all the events from the previous school year and the incredible amount of money raised for additional resources in school. In particular, we are very grateful for the new iPads and laptops that are going to be available to support the children's learning. A big thank you to everyone involved with Team Telford and to all the families for their help in raising those funds. The meeting made plans for the year ahead, with the Family Bingo Night first up on the evening of Friday 18<sup>th</sup> October.

With best wishes for the weekend,

Richard Siviter
