## SCHOOL NEWSLETTER

8<sup>th</sup> November 2024

### Poppy Appeal

This week we have been holding our annual collection for the British Legion Poppy Appeal. Thank you for your support with the appeal.

### UK Rubik Championship

Congratulations to Leo, who attended the UK Rubik Championship at the Richo Stadium, during the half-term holiday.

There were 500 of the very best competitors from across the UK, including the current champions, all competing for the title of the best 'cuber' in the UK. The event was covered by the BBC and will feature on The One Show this evening.

Leo achieved a remarkable new personal best of 14.6 seconds and is now ranked 342 in the UK. (The number one competitor took 5.6 seconds.) A very impressive performance, Leo!

### Year 4 Robotics

Year 4 took part in an exciting robotics workshop, tied into their study of Ted Hughes' classic story, "The Iron Man." Students explored the themes of creativity and problem-solving, as they built their own robots using LEGO. With the help of iPads, they programmed their creations to mimic the Iron Man's movements and interactions. This hands-on activity not only enhanced their understanding of the story, but also sparked their interest in engineering and technology. The workshop was a fantastic

opportunity for Year 4 to connect literature with technology in an engaging way, inspiring our young learners to think critically and work collaboratively.

Congratulations to our excellent indoor rowing team on their performance this week in an inter-school rowing competition at Newbold Comyn. The school entered a team in both the girls' and the boys' events. We await news of whether they will progress to the next round. Thank you to Mrs Brogdale for preparing the children for the competition and for taking them along on the day. Mrs Brogdale said what a credit the children were to the school.

With best wishes for the weekend,

Richard Siviter
