A New Development in Year 4

Year 4 are excited about a new area that has been developed behind Y4 Elm classroom, which we plan to use for planting and growing, to support our Design and Technology learning. We are going to plant some bulbs for the Springtime and then set up the area to grow potatoes, tomatoes, herbs and strawberries. The produce we grow will be used in our cookery topic during the Summer Term. The children can't wait to get started. A big thank you to Team Telford and all who have supported them, for helping to create this lovely growing space. Pictured below are our Year 4 school councillors, celebrating the new learning area.

Children in Need at Telford Junior School

The children and staff raised funds for Children in Need last Friday, wearing something yellow or spotty. Some even dressed as Pudsey Bear!

In total, the school raised an impressive £448.27

End of Term	3.20pm Friday 20 December

The children were excited by the snow last week. Thankfully, the weather did not interrupt our scheduled learning reviews. Thank you to all who attended. I hope you managed to gain an overview of how your child is progressing in school. There will be further review meetings during the Spring Term.

The Year 4 classes are enjoying their rehearsals for this year's Christmas Performance, which will take place on the evenings of Tuesday 10th December and Wednesday 11th December. Parents/carers of Years 3, 5 and 6 children will have the opportunity to come into school to share in our Christmas celebrations during the final week of term (as set out in the Term Dates above).

With best wishes,
