Year 6 Residential Visit

The Year 6 children had a great time during their residential visit to Condover Hall in Shropshire. A big thank you to the staff who organised the trip and supported the children over the 4 days. The children are to be congratulated on their enthusiasm and their excellent manners and behaviour, which were commented on by their instructors and school staff. Year 4's turn in a few weeks' time!

Learning Reviews

You should have received information about the learning reviews scheduled to take place next week. We look forward to sharing information about your child's learning progress, as we approach the final weeks of the Spring Term.
